

CREATION CIRCLES

NAME:

STORY TITLE:

1. Write down what exists at the beginning of the creation story. You should include characters, information about the setting, and so on.

2. Write down what existed at the beginning on the lines. Then, on the arrows, add which characters or actions were *catalysts* (or agents) for change.

3. Write down what existed at the beginning on the lines. Then, on the arrows, write the results of the change, in other words, what exists at the end.
