UNIT 1 VOCABULARY QUIZ 2

For the vocabulary words in 1 through 5, create a dictionary definition similar to the one shown in the example below. (Note: You do not need to include a pronunciation guide for the word. You must include the part of speech, origin, definition, and an original sentence using the word.)

Example: ban (ban) ***v.*** (Old English) to prohibit or forbid, especially officially

Sentence: Many adults would like to ban the novel *The Adventures of Huckleberry Finn* from school reading lists, because they feel the language is inappropriate for young people.

1) Immoral: adj. (Latin) not moral, not in accordance with the principles of right and wrong

2) Coarse: adj. (French – Latin) unrefined, vulgar, crude

3) Indictment: n. (Old French) a charge against someone or something

4) Elitist: adj. (French) of the opinion that one's own group is deserving of power

5) Myriad: adj. (Greek) very many
