ETHNIC NOTIONS

PART 1
Directions: As you watch the film *Ethnic Notions* list the race identity constructs the narrators introduce. Give each construct a name. Describe its identifying characteristics and add the historical roots of the construct (time period from which it came and ideas about the construct from that era). Sketch an image or symbol that represents it.

RACE IDENTITY CONSTRUCT NAME	IDENTIFYING CHARACTERISTICS	HISTORICAL ROOTS	IMAGE OR SYMBOL

PART 2 (to be completed after you finish reading *A Raisin in the Sun*)
Directions: List each character from A Raisin in the Sun. Next to each name, list each of the above race identity constructs that the character exemplifies. A character may have the characteristics of more than one race identity construct from **Ethnic Notions**, so be sure to identify all that apply.
