

LOGIC PROBLEMS THE ANSWERS!!

1. The package is a parachute that did not work. The man jumped out of a plane expecting that it would.
2. (This one can take weeks.) This is a game of Monopoly. The person stops her piece, the car, in front of someone's hotel and has to pay the owner \$200.
3. This person hanged himself by standing on a block of ice until it melted. (This is a disturbing one to visualize!)
4. A man was stealing a plate, for making money, from the Mint and was shot outside as he tried to escape.
5. The man is black and the couple living in the house is white. He sees a KKK robe in the closet.

If you come across any more, or if your class creates some good ones, please send them in and we'll post them!
